**Hifideluxe** is a dedicated show for high-demanding music and High End lovers and professional in the Hi-Fi and High End Audio markets.

At the **hifideluxe 2017** we present and demo the latest new Million Maestro Series tuning products, Hijiri cables and power cords. We also expect to launch some new special tuning devices including our premier analog collection.

In a running demo attendees listen to our **Reimyo/Encore**-Setup as usual tuned with our finest Harmonix Tuning Devices and Harmonix / **Hijiri** cables and cords.

We invite consumers and dealers who are serious and dedicated to listen to best sounding music. Please don't hesitate to contact and talk with us during the show. We will be more than happy to welcome you. Please visit us and experience exquisite sound of system and performance of Harmonix Tuning devices.

When you visit us, I would advise you bring with you the reference music soft.  
If any questions about the show, please contact us as we are always open to you.

I am looking forward to see you soon at the **hifideluxe 2017** show.

Kind Regards,

K. Kiuchi - CEO Combak Corporation
